---

## ACHIEVEMENTS

- 🏆 Recognized with multiple prestigious awards, including "**Employee of the Month**", "**Employee of the Week**" as well as the esteemed "**Problem Solver Award**", reflecting a commitment to excellence and problem-solving prowess in the office environment.
  - 🛠️ Demonstrated expertise in **API optimization**, implementing strategies that led to a remarkable reduction of 70 to 80% in API response times in my previous E-commerce project. This optimization significantly enhanced system performance and user satisfaction, showcasing my commitment to delivering high-quality solutions.
  - 📄 Published **Patent** on "**AN APPARATUS FOR MAKING PAPER BAG**" - Patent application No: 201921014989, showcasing innovative thinking and a drive for technological advancement.
-
